THE EXPERIENCE OF A LIFETIME,

Combined with attention, caution and carefulness, have enabled the proprietors of Dr. Guysott's Yellow Dock and Sarsaparilla to make it the best blood purifier in the world, the surest strengthener of the urinary and digestive organs, the finest alterative, the truest tonic. A lady who suffered from weakness peculiar to her sex, in writing to a friend said:

"Itried various kidney medicines but only found myself growing worse. My husband brought me a bottle of Dr. Guysott's Yellow Dock and Sarsaparilla. Its effect was quickly apparent. My complexion ere long became clear and free from pimples; I soon enjoyed a gladsome freedom from aches and pains; I became less nervous; my habits became regular; I gained in flesh and have been made to feel better every way. I can not praise the remedy too highly as a true friend to suffering women, and as a strangthonic. women and as a strengthening medicine."

It is the safest remedy a lady can use, as it leaves no unpleasant after effects nor does its discontinuance cause a craving for its further use.

Asthmatic Sufferers

Who find difficulty in breathing a source of much distress and annoyance should give Dr. Wistar's Balsam of Wild Cherry a trial, for therein they will assuredly find relief and in many instances it will effect a permanent cure. It is the best family medicine in the world. A single teaspoonful will cure an ordinary cough or cold; a few bottles will cure consumption if taken in time. The day is not far off when every intelligent housekeeper will think as much of having a bottle of Wistar's Balsam in the house as a

No other preparation has won success at home equal to Hood's Sarsaparilla. In Lowell, Mass., where it is made, it is now, as it has been for years, the leading medicine for purifying the blood, and toning and strengthening the system.
